DESCRIPTION

Intec House is a three-storey, freehold building sat within a site extending to approx. 0.6 acres.

The building includes an internal lift and lower-ground level car park with circa 25 car parking spaces, in addition to surface parking to the front of the building.

The ground-floor comprises a waiting/reception area and mostly double-height warehouse/distribution areas, with the upper parts comprising a mix of offices, storage space and workshops.

The property is currently arranged as serviced offices and warehouse spaces, let to a mix of tenants on monthly licenses, producing an income of approx. £250,000 per annum. The income itself varies up and down on a monthly basis due to the tenancy type.

Subject to obtaining all necessary approvals and consents, the property benefits from development potential to provide a commercial, residential or mixed-use scheme, as well as asset management opportunities to enhance the value through refurbishment and new tenants.
